## NOTIFICATION

### Addendum

The following communication, dated 9 July 1999, has been received from the United States.

---

The United States Department of Agriculture, Animal and Plant Health Inspection Service (APHIS) advises the public that they intend to prepare an environmental impact statement in connection with regulations they are considering proposing (previously notified as an advanced notice of proposed rulemaking G/SPS/N/USA/145). This current notice identifies potential regulatory alternatives and issues that APHIS plans to analyze in the environmental impact statement and requests public comment to further delineate the scope of the alternatives and issues. APHIS will consider all comments received by 7 September 1999.
