## NOTIFICATION

### Addendum

The following communication, dated 13 July 2000, has been received from the United States.

---

The Food and Drug Administration (FDA) is announcing the availability of a final guidance for industry entitled (draft guidance notified as part of G/SPS/N/USA/178 - guidance document three under paragraph 4) "Impurities in New Veterinary Drug Substances". This guidance has been developed for veterinary use by the International Cooperation on Harmonization of Technical Requirements for Registration of Veterinary Medicinal Products. The guidance is intended to assist in developing registration applications for approval of veterinary medicinal products submitted to the European Union, Japan, and the United States.

Submit written comments at any time. Instructions for commenting are in the full text of this addendum and the original proposal which are available from the US SPS Enquiry Point.
