Council for Trade in Services

EXCHANGE OF INFORMATION EXERCISE DERESTRICTION OF SECTORAL PAPERS BY THE SECRETARIAT

Note by the Secretariat

At the Council meeting on 14 October 1998 the Chairman suggested that, due to the growing public demand, the papers prepared by the Secretariat on services sectors discussed in the information exchange exercise be derestricted. It was agreed that the matter be inscribed in the agenda of the Council for a decision to this effect. For this purpose, the following is a list of the papers so far produced. It is suggested that the Council should agree to derestrict these, and that a similar procedure should be followed in relation to the remaining papers as they appear.

1. S/C/W/37 – Distribution Services
 2. S/C/W/38 – Construction and Related Engineering Services
