Corrigendum

On page 3, the penultimate paragraph should read as follows: "The representative of Hong Kong, China, speaking on a point of order, said that the guidance was clear in rule 19 of the Rules of Procedure. That rule provided that Norway's proposal should be submitted immediately for a decision first by consensus. There was clearly no consensus, and the proposal should be considered defeated unless the Norwegian delegation would want to push for a vote in accordance with Article IX of the WTO Agreement."
