RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES

Schedule XX - United States

Corrigendum

The following communication, dated 14 July 1997, has been received from the Permanent Mission of the United States.

On April 2, the United States notified WTO Members of its intention to modify its tariff concessions in the distilled spirits sector G/MA/TAR/RS/18. G/MA/TAR/RS/Corr.1 contains corrections to the initial notification. In further reviewing the documents that accompanied this notification, we discovered additional technical errors. Namely, HTS 2208.9001 through 2208.9080 inclusive, the Uruguay Round base tariffs were inadvertently reported as the rates to be used to begin staging of U.S. concessions. The revised pages of the schedule of concessions have been corrected so that 1997 tariff rates are now in the "base rate" column for these tariff lines. The accompanying staging matrix has likewise been corrected.

The changes are as follows:

HTS	Correct Base Rate	Base Rate Included in April 2 Schedule
2208.9001	\$0.091 per proof liter	\$0.111 per proof liter
2208.9005	\$0.082 per proof liter	\$0.10 per proof liter
