Questions Posed by JAPAN
Regarding the Notification of TURKEY¹

The following communication, dated 12 October 2000, has been received from the Permanent Mission of Japan.

It is our understanding that the anti-circumvention rule is included in Turkey's act and regulation (for example, Decree on the Prevention of Unfair Competition in Imports Article 11). However, the WTO Anti-Dumping (AD) Agreement has no provision regarding anti-circumvention measures. How could Turkey justify the provision under the AD Agreement?
