Follow-up Questions from the UNITED STATES Regarding the New and Full Notification of CYPRUS¹

The following communication, dated 20 May 1997, has been received from the Permanent Mission of the United States.

1. Cyprus's notification appears to indicate that export subsidies are provided for groundnuts (peanuts). However, we are not aware that Cyprus's export subsidy commitments under the Agreement on Agriculture make provision for export subsidies on groundnuts. Could Cyprus please clarify?
