## SEMI-ANNUAL REPORT UNDER ARTICLE 25.11 OF THE AGREEMENT

UNITED STATES

### Corrigendum

In document G/SCM/N/98/USA, dated 11 September 2003, an error occurs in the table on page 2 related to the cases on “Diamino Stilbenedisulfonic Acid and Stilbenic Fluorescent Whitening Agents” from India. The original semi-annual report did not reflect the fact that the case was ended without final measures by an ITC negative preliminary injury determination on 30 June 2003.

The relevant part of the table should therefore read as follows:
