

NOTIFICATION OF EMERGENCY MEASURES

Revision

1. Member to Agreement notifying: <u>CANADA</u> If applicable, name of local government involved:
2. Agency responsible: Canadian Food Inspection Agency
3. Products covered (provide tariff item number(s) as specified in national schedules deposited with the WTO; ICS numbers should be provided in addition, where applicable): Propagative material, including nursery stock, of regulated species, wood products with bark of regulated species, non-propagative plant parts of regulated species, soil, growing media.
4. Regions or countries likely to be affected, to the extent relevant or practicable: United States and the European Union
5. Title, language and number of pages of the notified document: D-01-01 (9 th Revision): Phytosanitary Requirements to Prevent the Entry of <i>Phytophthora ramorum</i> Associated with Sudden Oak Death into Canada (available in English, 15 pages; French, 17 pages).
6. Description of content: This directive contains the phytosanitary requirements for the importation of propagative and non-propagative host materials, of a serious pathogen <i>Phytophthora ramorum</i> (Sudden Oak Death) affecting a broad range of plants. Canada is increasing the list of host plants regulated for this disease on the basis of information that the pathogen <i>Phytophthora ramorum</i> is present in North America and the European Union and has been reported on these new plant genera. (This notice supercedes G/SPS/N/CAN/157/Rev.3.)
7. Objective and rationale: <input type="checkbox"/> food safety, <input type="checkbox"/> animal health, <input checked="" type="checkbox"/> plant protection, <input type="checkbox"/> protect humans from animal/plant pest or disease, <input type="checkbox"/> protect territory from other damage from pests
8. Nature of the urgent problem(s) and reason for urgent action: Canada is increasing the list of host plants regulated for this disease on the basis of information that the pathogen <i>Phytophthora ramorum</i> is present in North America and the European Union and has been reported on these new plant genera. New species regulated for <i>Phytophthora ramorum</i> are: <i>Clintonia</i> (bluebead lily), <i>Dryopteris</i> (wood fern) and <i>Smilacina</i> (starflower).

<p>9. International standard, guideline or recommendation: <input type="checkbox"/> Codex Alimentarius Commission, <input type="checkbox"/> World Organization for Animal Health (OIE), <input checked="" type="checkbox"/> International Plant Protection Convention, <input type="checkbox"/> None If an international standard, guideline or recommendation exists, give the appropriate reference and briefly identify deviations:</p>
<p>10. Relevant documents and language(s) in which these are available: U.S. Department of Agriculture List of Associated Host Plants www.aphis.usda.gov/ppq/ispm/sod/usdasodlist.html (available in English) Recent Modifications to U.S. Department of Agriculture <i>Phytophthora ramorum</i> Regulations www.aphis.usda.gov/ppq/ispm/sod/regs/index.html (available in English)</p>
<p>11. Date of entry into force/period of application (as applicable): 24 June 2004</p>
<p>12. Agency or authority designated to handle comments: <input type="checkbox"/> National notification authority, <input checked="" type="checkbox"/> National enquiry point, or address, fax number and E-mail address (if available) of other body:</p>
<p>13. Texts available from: <input type="checkbox"/> National notification authority, <input checked="" type="checkbox"/> National enquiry point, or address, fax number and E-mail address (if available) of other body: http://www.inspection.gc.ca/english/plaveg/protect/dir/d-01-01e.shtml#3.1 (English) http://www.inspection.gc.ca/francais/plaveg/protect/dir/d-01-01f.shtml#3.1 (French)</p>
