Committee on Sanitary and Phytosanitary Measures

Original: English

NOTIFICATION

Addendum

The following communication, received on 28 June 2004, is being circulated at the request of the Delegation of the European Communities.

Live fish (including their eggs and gametes) for farming or for immediate human consumption or further processing before human consumption (CN 0301, ICS 65.150). It does not concern tropical ornamental fish kept permanently in aquariums (CN 3001.10).

The proposal notified in G/SPS/N/EEC/198 (dated 1 May 2003) has been adopted as "*Commission Decision of 21 November 2003 laying down the animal health conditions and certification requirements for imports of live fish, their eggs and gametes intended for farming, and live fish of aquaculture origin and products thereof intended for human consumption*" (Official Journal of the EU, L324, Volume 46, 11 December 2003, pp 37-54).
