The following communication, dated 11 December 2000, has been received from the United States.

#### Chlorpirifos – Cancellation Order

This notice announces a cancellation order that was signed 27 November 2000, announcing the use deletions and cancellations as requested by the companies that hold the registrations of pesticide products containing the active ingredient chlorpyrifos and accepted by EPA, pursuant to section 6(f) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This order follows up a 20 September 2000 notice of receipt of requests for amendments to delete uses and receipt of a request for registration cancellations. In that notice, EPA indicated that it would issue an order confirming the voluntary use deletions and registration cancellations. Any distribution, sale, or use of canceled chlorpyrifos products is only permitted in accordance with the terms of the existing stocks provisions of this cancellation order.

The cancellations are effective 1 December 2000.
