Question Posed by AUSTRALIA Concerning
the Article XVII Notification of INDONESIA¹

The following communication, dated 5 March 1997, has been received from the Permanent Mission of Australia.

We appreciate Indonesia's response to our previous question in respect of their initial notification of state trading enterprises contained in G/STR/Q1/IDN/1. We would, however, like to seek confirmation that the arrangements of BULOG have not changed as a result of Indonesia's Uruguay Round commitments. We are particularly interested to know if private importers are permitted to handle any portion of the trade.
