SYSTEMIC ISSUES RELATED TO "OTHER REGULATIONS OF COMMERCE"

Background Note by the Secretariat

Corrigendum

Footnote 1 should read as follows: "A comparable expression, *trade regulations*, is, however, found in Article X of the GATT."

In paragraph 4, the phrase "where the expression appears three times, in paragraphs 5 and 8 of Article XXIV" should instead read: "where the expression appears in three contexts in paragraphs 5 and 8 of Article XXIV".
