Dear Mr. Szepesi,

Enclosed are the notifications of St. Kitts and Nevis retaining our rights to use the provisions of Article 6 of the ATC. The documents entail the GATT 1994 products which accounted for not less than 16 per cent and not less than 17 per cent of our total volume of imports in the Annex in 1990.

Please note that Fabrics (43 per cent), Made-up textile products (24 per cent) and Clothing (29 per cent) all account for greater than 16 per cent and greater than 17 per cent of our total volume of imports in the Annex in 1990. Also, in your letter dated 31 January 1997, you indicated that there were some HS numbers with the same product description. In 1990 we were using SITC codes and therefore in changing to HS coding there were some instances where we grouped several HS numbers under one description.

We hope that the notifications are in compliance with the requirements.

Sincerely,

(Signed) Kemoy Liburd-Chow (Ms.)
Investment and Trade Officer
