Upon consultation, I am writing this letter to inform you that the Republic of Poland and the Kingdom of Thailand have reached agreement that the item on Surveillance of Implementation of Recommendations and Rules Adopted by the DSB in "Thailand – Anti-Dumping Duties on Angles, Shapes and Sections of Iron or Non-Alloy Steel and H-Beams from Poland" (WT/DS122) should no longer remain on the agenda of the Dispute Settlement Body. However, this may not in any way prejudice the rights of either Party to the dispute to be exercised in accordance with the DSU.
