

**RECTIFICATIONS AND MODIFICATIONS OF  
URUGUAY ROUND SCHEDULES**

Schedule CXLIII – Republic of Latvia

The following communication, dated 30 December 1998, has been received from the Permanent Mission of the Republic of Latvia.

Reference is made to the communication from Latvia of 1 October 1998 concerning Latvia's WTO tariff schedule on Goods, Schedule CXLIII – Republic of Latvia, which had been circulated in document WT/ACC/LVA/32/Add.1 of 30 September 1998 and later supplemented by document WT/ACC/LVA/32/Add.1/Corr.1 of 6 October 1998. Both documents had been subsequently adopted by the General Council at its meeting of 14 October 1998 under agenda item "Accession of Latvia". It had been agreed that this schedule will undergo technical work by Latvia before 31 December 1998 in order to conform all tariff lines to the 6-digit (at a minimum) Harmonized System level. It was understood that the concessions contained therein do not change, rather the work would be a technical transposition.

In conformity with the above understanding, the Permanent Mission of the Republic of Latvia to the United Nations Office in Geneva kindly asks the WTO Secretariat to circulate the revised goods schedule referred above and attached hereto.

Following the procedures for rectification and modification of schedules as contained in the "Procedures for Modification and Rectification of Schedules of Tariff Concessions" (BISD 27S/25), thus, Members have 3 months to examine the schedule, and assuming there are no objections, the schedule would be appended to the Protocol of Accession of Latvia.

If no objection is notified to the Secretariat within three months from the date of this document, the modifications and rectifications to Schedule CXLIII – Latvia will be deemed to be approved and will be formally certified.

Copies of this document, in paper form and electronic form (Excel) in English, are available in the Market Access Division (Ms. Wood, office 3142, tel: 739 50 79).
