Committee on Sanitary and Phytosanitary Measures

Original: English

## NOTIFICATION

### Addendum

The following communication, dated 21 June 2002, has been received from the Republic of Korea.

---

### Suspension of import quarantine inspection of live ruminants and their products and other rendered animal protein products which originate from specified countries

The Ministry of Agriculture and Forestry has prohibited the importation of BSE related products originating from Israel since 5 June 2002 and from Japan since 10 September 2001 and, therefore, both Japan and Israel shall be included in the list of countries specified in G/SPS/N/KOR/80.

In addition, the measures notified through G/SPS/N/KOR/80 will not be lifted unless it is determined to be safe from a BSE risk in the concerned country.

The full text of this addendum as well as the full text of the original notification are available from the address below.
