NOTIFICATION

Addendum

The following communication was received from the United States on 4 April 2000.

The Food and Drug Administration (FDA) is announcing the availability of certain documents to update the administrative docket of the proposed rule on dietary supplements containing ephedrine alkaloids. This action is being taken to ensure that interested persons are aware of the updated information. Elsewhere in this issue of the Federal Register, FDA is withdrawing certain provisions of the proposed rule on dietary supplements containing ephedrine alkaloids, and establishing a new docket that will contain new adverse event reports and related information concerning these products.
