COMMUNICATION FROM THAILAND

Response to the questionnaire on the accountancy sector

Corrigendum

The following communication is circulated at the request of Thailand.

Please note the following correction to document S/WPPS/W/7/Add.1: the answer to question 31 ("Is there a requirement of a minimum number or percentage of local directors, managers or staff (please specify)?") should read as follows:

Yes, a juristic person must have more than half of its partners or shareholders of Thai nationality. Besides that, the managing partner or manager of limited partnership and registered ordinary partnership must have the Thai nationality.

*English and spanish only.
