MINUTES OF THE SPECIAL MEETING HELD ON 13-14 JULY 1995

Supplement

Chairman: Mr. J. Ruiz (Argentina)

1. The Committee on Safeguards held a special meeting on 13 and 14 July 1995. The Minutes of that meeting (document G/SG/M/2) include references to the documents containing the written answers of Members whose legislation was reviewed at that meeting. Since those Minutes were circulated, additional answers to written questions asked at that meeting have been received from one Member. Therefore, the following document reference should be considered part of the Minutes of the meeting.

2. Answers provided by Colombia to questions (paragraph 10 of the Minutes of the special meeting) can be found in the following document:

G/SG/W/142 (Replies to the United States).
