Committee on Sanitary and Phytosanitary Measures

NOTIFICATION OF EMERGENCY MEASURES

1.	Member to Agreement notifying: If applicable, name of local government involved: <u>MEXICO</u>
2.	Agency responsible: Ministry of Agriculture, Livestock and Rural Development
3.	Products covered (tariff item number(s) as specified in national schedules deposited with the WTO. ICS numbers may be provided in addition, where applicable): Animals and animal products and by-products
4.	Title and number of pages of the notified document: Decision Prolonging Emergency Mexican Official Standard NOM-EM-010-ZOO-1995, Procedures and Requirements for Zoosanitary Authorization to Import Animals and Animal Products and By-Products, as well as Biological, Chemical, Pharmaceutical and Food Products for Use On/In Animals or Consumption by Animals
5.	Description of content: Procedures and requirements for zoosanitary authorization to import animals and animal products and by-products, as well as biological, chemical, pharmaceutical and food products for use on/in animals or consumption by them.
6.	Objective and rationale: Animal health
7.	Nature of urgent problem(s): Given that the circumstances which led to the publication of the Emergency Mexican Official Standard continue to exist, the Standard needs to be prolonged for a period of six months.
8.	An international standard, guideline or recommendation does not exist [X]. If an international standard, guideline or recommendation exists, whenever possible, identify deviations:
9.	Relevant documents: Diario Oficial de la Federación (Official Journal) of 10 October 1995
10.	Date of entry into force/period of application (as applicable): 11 October 1995
11.	Texts available from: National enquiry point [X] or address and telefax number of other body:
