**NOTE FOR THE RECORD**

**Subject:**        Agreement on Textiles and Clothing

The phrase "unless otherwise justified to the TMB", referred to in Article 6:13, is intended to be limited to imports of wool products into the United States, subject to the condition that the growth rate applied under this provision shall in no case be less than 2 per cent. For this purpose, wool textiles and clothing products are defined as those covered by the 400 series of the United States' textile category system.

The above shall be communicated to the Chairman of the Textiles Monitoring Body for appropriate action in due course.
