**NOTIFICATION OF FIRST INTEGRATION UNDER ARTICLE 2.6
OF THE AGREEMENT ON TEXTILES AND CLOTHING**

Communication from Canada

Pursuant to the Decision taken by Ministers at Marrakesh on 15 April 1994 that "the participants maintaining restrictions falling under paragraph 1 of Article 2 of the Agreement on Textiles and Clothing shall notify full details of the actions to be taken pursuant to paragraph 6 of Article 2 of that Agreement to the GATT Secretariat not later than 1 October 1994", and that "The GATT Secretariat shall promptly circulate these notifications to the other participants for information", the following communication dated 30 September 1994 has been received from the delegation of Canada.

The Ministerial decision of 15 April 1994 on the Notification of the first integration under Article 2 (6) of the Agreement on Textiles and Clothing (ATC), provides that countries maintaining restrictions falling under Article 2 (1) of the ATC are to notify to the GATT Secretariat no later than 1 October 1994 the list of products that they intend to integrate into GATT 1994 on the date of entry into force of the WTO.

I have the honour to advise you that my Government will integrate the attached list of products into GATT 1994 on the date of entry into force of the WTO. As provided in Article 2 (6) of the ATC, these products account for not less than 16% of the total volume of Canada's 1990 imports of the products listed in the Annex to the ATC.
