COMMITTEE ON CERTAIN MILK PRODUCTS

Communication from the Permanent Mission of Japan

Revision

The following communication, dated 20 April 1995, has been received from the Permanent Mission of Japan with the request that it be circulated to parties to the International Dairy Agreement. This communication contains an amendment to the "Annex on Certain Milk Products - Attachment C: Japan" for approval by the Committee on Certain Milk Products in accordance with the provisions of Article 3, paragraph 5, of the said Annex.

Importation of skimmed milk powder at prices below the minimum prices provided for in this Agreement may be made if the following measures are taken in accordance with Article 8 of the Temporary Tariff Measures Law.

1. Where skimmed milk powder is imported for use as material for feed or for sale as material for feed, the importer shall follow the required importation procedure and keep a record of the quantity of imports and other necessary information.
2. The manufacturer shall mix the skimmed milk powder with fish meal, chrysalis meal, fish soluble or other materials.
3. The manufacturer shall keep a record of the quantity of the skimmed milk powder imported, the quantity of the skimmed milk powder used for the production of mixed feed, the quantities of other materials mixed therewith, the quantity of mixed feed produced and other necessary information
4. Customs officers may, as necessary, inspect the records kept by the importer or the manufacturer, and require the importer or the manufacturer to submit reports concerning business matters related to the imported skimmed milk powder. Where the importer or the manufacturer uses or transfers for use the skimmed milk powder for purposes other than material for feed, the exempted customs duties shall be collected in accordance with the provisions of the Temporary Tariff Measures Law. In addition, the importer or the manufacturer shall be fined or imprisoned on the charge of evasion of customs duties as provided for in the Temporary Tariff Measures Law or the Customs Law.
