

THE INDICATIVE LIST OF GOVERNMENTAL AND  
NON-GOVERNMENTAL PANELISTS

1. To assist in the selection of panelists, Article 8:4 of the DSU provides that "the Secretariat shall maintain an indicative list of governmental and non-governmental individuals. That list shall include the roster of non-governmental panelists established on 30 November 1984 (BISD 31S/9), and other rosters and indicative lists established under any of the covered agreements, and shall retain the names of persons on those rosters and indicative lists at the time of entry into force of the WTO Agreement. Members may periodically suggest names of governmental and non-governmental individuals for inclusion on the indicative list, providing relevant information on their knowledge of international trade and of the sectors or subject matters of the covered agreements, and those names shall be added to the list upon the approval by the DSB. For each of the individuals on the list, the list shall indicate specific areas of experience or expertise of the individuals in the sectors or subject matter of the covered agreements."
2. The attached consolidated list contains all the names of governmental and non-governmental panelists<sup>1</sup> which have been approved by the DSB from the entry into force of the WTO to the 31 January 1996.
