DISPUTE SETTLEMENT BODY
27 September 1995

PROPOSED NOMINATIONS FOR THE INDICATIVE LIST OF GOVERNMENTAL AND NON-GOVERNMENTAL PANELISTS

1. To assist in the selection of panelists, Article 8:4 of the DSU requires that "the Secretariat shall maintain an indicative list of governmental and non-governmental individuals. That list shall include the roster of non-governmental panelists established on 30 November 1984 (BISD 31S/9), and other rosters and indicative lists established under any of the covered agreements, and shall retain the names of persons on those rosters and indicative lists at the time of entry into force of the WTO Agreement. Members may periodically suggest names of governmental and non-governmental individuals for inclusion on the indicative list, providing relevant information on their knowledge of international trade and of the sectors or subject matters of the covered agreements, and those names shall be added to the list upon the approval by the DSB. For each of the individuals on the list, the list shall indicate specific areas of experience or expertise of the individuals in the sectors or subject matter of the covered agreements."
2. In order to fulfil this requirement the Secretariat discussed this matter in informal consultations on 15 and 24 March 1995 and at the DSB meeting on 29 March 1995. Members were invited to review the roster of non-governmental panelists established on 30 November 1984 (BISD 31S/9) by 31 July 1995 and submit nominations for the indicative list by mid-June 1995. At its meeting on 31 May 1995 the DSB approved the proposals concerning the administration of the indicative list in document WT/DSB/W/6.
3. The attached Annex contains names of candidates, and an indication of their sectoral experience, proposed by Members for inclusion in the indicative list of governmental and non-governmental panelists. Curricula Vitae containing more detailed information are available on request from the WTO Secretariat (Council Division).
