NOTIFICATION

Corrigendum

The following submission, dated 2 November 2022, is being circulated at the request of the delegation of **Pakistan**. The corrigendum concerns the notification regarding domestic support commitments (**Table DS:1** and the relevant supporting tables) during the **Marketing Year 2013/2014**.

This document corrects the following information in Supporting Table DS:1 (Measures exempt from the reduction commitment – "Green Box") in notification G/AG/N/PAK/18:

The value reported for the measure "Government Storage" under "3. Public stockholding for food security purposes" should read USD million **132.8** instead of 0 (zero). The "Grand Total Green Box" has been updated accordingly. The affected table is reproduced below. Modifications are shown in **bold**.
