**NOTIFICATION PURSUANT TO THE DECISION ON NOTIFICATION PROCEDURES
FOR QUANTITATIVE RESTRICTIONS**

KAZAKHSTAN

The following communication, dated 21 June 2023, is being circulated at the request of the delegation of Kazakhstan.

A. Notifying Member: The Republic of Kazakhstan
B. Date of notification: 12 June 2023
C. First time notification: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No, last notification was made in (doc. symbol): G/MA/QR/N/KAZ/3/Rev.2/Add.1
D. Type of notification: <input checked="" type="checkbox"/> 1. Complete (i.e. notification of all quantitative restrictions in force) <input type="checkbox"/> 2. Changes to a notification previously made in (doc symbol) which are of the following nature: <input type="checkbox"/> 2.1 Introduction of new restrictions, as listed in Section 1. <input type="checkbox"/> 2.2 Elimination of restrictions, as described in G below. <input type="checkbox"/> 2.3 Modification of a previously notified restriction, as described in Section 1. <input type="checkbox"/> 3. Reverse notification of restrictions maintained by (Member):
E. The notification provides information for the following biennial period (e.g. 2012-2014): <u>2022-2024</u> and relates to restrictions in force as of <u>12 June 2023</u> .
F. This notification contains information* relating to: <input checked="" type="checkbox"/> Section 1: List of quantitative restrictions that are currently in force. <input type="checkbox"/> Section 2: Cross-reference to other WTO notifications with information on quantitative restrictions that are currently in force and additional information.
G. Comments of a general nature, including a description of the elimination of restrictions notified under D.2.2 and the date they ceased to be in force.

* In English only.

Section 1: List of quantitative restrictions that are currently in force

QR No.	General description of the restriction	Type of restriction	Tariff line code(s) affected, based on HS (2012)	Detailed Product Description	WTO Justification and Ground for Restriction, e.g. Other International Commitments	National legal basis and entry into force	Administration, modification of previously notified measures, and other comments

Section 2: Cross-reference to other WTO notifications with information on quantitative restrictions that are currently in force

This section shall be filled by Members in case a notification made pursuant to another notification requirement (e.g. set in the Agreement on Agriculture, Agreement on Balance of Payments, Agreement on Safeguards, and the Agreement on Import Licensing Procedures, etc.) contains information on a quantitative restriction in force and which is not listed in Section 1.

1. Agreement on Agriculture

- A. Was a notification made with information on a quantitative restriction? Yes ☐ No ☒
- B. If yes, then list below the relevant document symbol and include any information element missing in the notification:

Document symbol of notification	General description	Type of restr.	Tariff line code(s) affected, based on HS()	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration; modification of prev. notified measures; and other comments
1	2	3	4	5	6	7	8
G/AG/N/							

2. Agreement on Balance of Payments

- A. Was a notification made with information on a quantitative restriction? Yes ☐ No ☒
- B. If yes, then list below the relevant document symbol and include any information element missing in the notification:

Document symbol of notification	General description	Type of restr.	Tariff line code(s) affected, based on HS()	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration; modification of prev. notified measures; and other comments
1	2	3	4	5	6	7	8
WT/BOP/N/							

3. Agreement on Safeguards

- A. Was a notification made with information on a quantitative restriction? Yes ☐ No ☒
- B. If yes, then list below the relevant document symbol and include any information element missing in the notification:

Document symbol of notification	General description	Type of restr.	Tariff line code(s) affected, based on HS()	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration; modification of prev. notified measures; and other comments
1	2	3	4	5	6	7	8
G/SG/N/							

4. Agreement on Import Licensing Procedures (non-automatic licences)

- A. Was a notification made with information on a quantitative restriction? Yes ☐ No ☒
- B. If yes, then list below the relevant document symbol and include any information element missing in the notification:

Document symbol of notification	General description	Type of restr.	Tariff line code(s) affected, based on HS()	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration; modification of prev. notified measures; and other comments
1	2	3	4	5	6	7	8
G/LIC/N/							

5. Other notifications

A. Was a notification made with information on a quantitative restriction in other notifications? Yes ☐ No ☒

B. If yes, then list below the relevant document symbol and include any information element missing in the notification:

Document symbol of notification	General description	Type of restr.	Tariff line code(s) affected, based on HS()	Detailed Product Description	WTO Justification and Grounds for Restriction, e.g., Other International Commitments	National legal basis and entry into force	Administration; modification of prev. notified measures; and other comments
