**Description:** TITLE: Energy Conservation Program: Energy Conservation Standards for Automatic Commercial Ice Makers

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy

ACTION: Notification of availability of preliminary technical support document and request for comment

SUMMARY: The U.S. Department of Energy ("DOE") announces the availability of the preliminary analysis it has conducted for purposes of evaluating the need for amended energy conservation standards for automatic commercial ice makers, which is set forth in the Department's preliminary

technical support document ("TSD") for this rulemaking. DOE will hold a public meeting via webinar to discuss and receive comment on its preliminary analysis. The meeting will cover the analytical framework, models, and tools used to evaluate potential standards for this equipment, the results of preliminary analyses performed by DOE, the potential energy conservation standard levels derived from these analyses (if DOE determines that proposed amendments are necessary), and other relevant issues. In addition, DOE encourages written comments on these subjects.

**DATES:**

Comments: Written comments and information will be accepted on or before 24 May 2022.

Meeting: DOE will hold a webinar on Monday, 25 April 2022, from [1:00 p.m. to 4:00 p.m. Eastern Time](#). See section IV, "Public Participation," for webinar registration information, participant instructions, and information about the capabilities available to webinar participants.
