**Description:** New Zealand notified the proposed changes to the current minimum energy performance standard (MEPS) and labelling requirements for air conditioners in G/TBT/N/NZL/78 under article 2.9.2 of the TBT. The final date for comment was 22 July 2017.

No comments were received and the minimum energy performance and labelling requirements have been adopted in the Energy Efficiency (Energy Using Products) Regulations 2002. The instrument was gazetted on 17 December 2020 and commenced on that day. The minimum energy performance and labelling requirements for air conditioners enter into force on 1 July 2021.

<sup>1</sup> This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final measure and/or interpretive guidance can be obtained.
