## NOTIFICATION

### *Corrigendum*

The following communication, dated 3 October 2019, is being circulated at the request of the delegation of Brazil.

#### Public Taking of subsidies

On 24 September 2019, the Brazilian Health Regulatory Agency (Anvisa) published the Public Taking of subsidies, under the document [G/TBT/N/BRA/821/Add.3](#).

Brazil informs that Technical Regulation notified under document G/TBT/N/BRA/821/Add.3 is the same as document [G/TBT/N/BRA/821/Add.1](#) so we request to consider document G/TBT/N/BRA/821/Add.3 null and without effect.
