NOTIFICATION

Addendum

The following communication, dated 7 January 2020, is being circulated at the request of the delegation of Brazil.

Medical devices for in vitro diagnosis

The final date for comments (30 December 2019) of the Draft Resolution 734, 22 October 2019 – previously notified through [G/TBT/N/BRA/929](#) – which proposes the updating of the Resolution – RDC 36, 26 August 2015, which establishes the risk classification, control scheme of notification, registration, market authorization and technical requirements for labelling and usage instructions of medical devices for in vitro diagnosis, was extended for 30 days.

The final text is available only in Portuguese and can be downloaded at:
